

# SAFE RIDER PROGRAM

# BOUNDLESS RIDER

Insurance Built Exclusively For Riders, Not Drivers.

## More Than Just Insurance For Your Clients - Better Policy Retention For Your Agency

Do you want to unlock savings both on and off the road and help your customers get free features and benefits?

### What's In It For You

- ✓ Better Retention
- ✓ Increased Customer Satisfaction
- ✓ More Commission for You

### Questions to Ask:

1. How many months do you typically ride your motorcycle each year?
2. Would you be interested in savings during the months you don't ride?
3. Are added safety features like crash detection and a death benefit important to you?
4. Do you have an Apple or Android Phone?

### What's In It For Your Customers

- **5% Policy Discount** – Immediate Savings
- **20% Low Mileage Discount** – Save More When Riding Less
- **Real-Time Crash Detection with 911 Coordination** - Extra Protection While Riding Alone
- **\$100,000 Death Benefit** – Added Financial Security For Their Loved Ones

### Enrollment is Easy:

1. Enroll clients into the program during policy setup, endorsement or renewal
2. Ensure they download the app on **iOS** or **Android**
3. Guide customers through accepting permissions to activate program features
